SHOT FIVE TIMES.

Crit Alley Killed at South Pittsburg by Marshal Hennessy.

South Pittsburg, Sept. 16.—In a quarrel between Crit Alley, of Jasper, and City Marshal Hennessy to-day at Dietman's saloon, Hennessy shot Alley five times killing him instantly. It seems that Alley was in the saloon with a lot of others drinking, and endeavored to force a sixteen-year old boy to drink with him. When Hennessy remonstrated with him. A quarrel arose and the men clinched and in the struggle Hennessy got out his pistol and shot Alley five times, the bullets passing through his back and the lower part of his body. Hennessy was elected City Marshal at the last general city election here, and previously was a bartender in W. R. Ladd's saloon. Alley is well-known throughout the county as being wild and reckless, and has had several narrow escapes.

LATER—Hennessy was arrested Tuesday on a charge of wilful murder, the coroner's jury having brought in that verdict. His trial was appointed for Wednesday when he waived examination and secured bond for \$7,500.

WILL DEVELOP THE PROPERTY.

New Mines and Coke Ovens To Be Opened Near Dunlap.

The Douglas Coal & Coke company, which has acquired the coal land in Sequachee Valley near Dunlap which was formerly owned by the Dunlap Coal & Coke company, will begin developing the property at once.

In addition to building a railroad through the property, the company will erect a large number of coke ovens and will give employment to quite a large number men.

The property has been developed to some extent, but the new company will proceed with the development on a large scale and will enter into competition with the Tennessee Coal, Iron & Railway company, which is mining coal at the rate of a thousand tons per day in ten miles of this property.—Times.

Deafness Cannot be Cured

by local application as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; as the cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure.

QUARRELED OVER LAND.

Dave Henderson Kills Holland Johnson.

Jasper, Sept. 15.—Holland Johnson was instantly killed by Dave Henderson in the court house yard this afternoon. It was the result of a grudge which Henderson held against Johnson for buying some land of his at a back tax sale. Johnson was in the court house yard sitting with his back against the court house wall when Henderson approached him. Holland had been whittling and with his knife still open in his hand he arose to speak to Henderson, who is reported to have pulled his revolver and shot killing him instantly. Henderson has disappeared and a reward of \$300 has been offered by Johnson's relatives for his capture.

One Worth a Dozen.

J. Q. Collier, Hubbard, Ark., writes: Ramon's Liver Pills and Tonic Pellets are a special remedy for sick headache. I have been engaged in the mercantile business and confined in doors a great deal, and consequently suffer with Dronaged Liver. I have been using your medicines for this and the sick headache, and find much relief. I had tried many cereals for said disorder but they always failed. One of your red pills is worth more to me than a dozen of any other remedy I have ever taken. I shall always be glad that I obtained a supply of your remedies. For sale by J. L. Schultz.
